David Stiles began his professional career with HoganTaylor located in Tulsa Oklahoma and serves as the lead for the Firm's nonprofit practice. During his tenure at the firm, he has provided assurance and business consulting services to a wide range of both publicly and privately-held clients with a specialization in universities, private foundations, and other nonprofit organizations. Aside from David's work in the nonprofit sector, he also specializes in financial auditing and reporting, including Security Exchange Commission (SEC) reporting, for various industries including engineering, wholesale, distribution, and construction.

As the non-profit lead, David helps our clients and trains our teams to understand the unique accounting and reporting requirements for entities in the nonprofit sector. He enjoys continuously learning, improving, caring and serving others while providing simple solutions to our complex world with a positive outlook.

David has also been a key driver in the creation, implementation and continued development of myPortal, a solution-based technology created by HoganTaylor to simplify the client request process through an easy-to-use secure portal.
