Doug brings over twenty years of experience leading businesses and teams charged with ensuring privacy, security, and compliance. Formerly a CCSFP himself, Doug has led multiple HITRUST Authorized External Assessor organizations over the last 10+ years. With an extensive background in Healthcare and Financial Services security and compliance services, Doug will assist HoganTaylor's HITRUST assessment teams in meeting client needs while ensuring compliance. Doug is currently preparing to renew his HITRUST CCSFP certification.

## Education

- Master of Business Administration, John Hopkins University
