Kevin leads HoganTaylor's Risk Assurance Department providing risk assessment, internal control, and information technology compliance and advisory services. He has performed System and Organization Control (SOC) reports and internal audit services for a wide range of clients in various industries including financial services, insurance, and business process outsourcing.

Kevin is also significantly involved in assisting companies with their internal control evaluations required by the Sarbanes-Oxley Act. Kevin provides support for the firm's financial statement audits by reviewing and evaluating our clients' internal control structures. He also has experience with investment funds.

Kevin graduated from Oklahoma State University with a B.S. in Accounting. In addition to his CPA certification, Kevin is a Certified Information Systems Auditor (CISA) and a member of the AICPA, OSCP, Information Systems Audit Control Association (ISACA) and the Institute of Internal Auditors (IIA).
