Stephanie began her career with a Big 4 Firm as a Technology Risk Consultant in 2017 and now continues that career as a Manager in the Risk Assurance practice at HoganTaylor. She has worked with both publicly traded and private companies assisting with financial statement audits, information technology advisory services, internal controls audits, Sarbanes-Oxley and SEC compliance, and IT risk assessments. She has experience working with clients across many industries including technology, oil and gas, healthcare, and financial institutions. Stephanie received her B.S. in Business with a major in Management Information Systems and a double minor in Management and Data Analytics. She is also a Certified Information Systems Auditor (CISA) through ISACA.
